Dietitian Interview Questions by InterviewPenguin.com

1. Why have you decided for a career of a dietitian/nutritionist?
2. Why do you want to work for us? Why not your own practice?
3. What do you want to accomplish in this job?
4. Tell us something about your education/experience.
5. Where do you see yourself in five years time?
6. How do you plan to keep your knowledge up to date?
7. Why should we hire you, and not one of the other applicants?
8. How much would you like to earn in this job?
9. Imagine that you prescribe a diet to a patient, and they refuse to follow it, saying that they can't eat the way you suggest. What will you do?
10. Imagine that you see a medical record of the patient, and believe that one of the drugs they are taking interfere with the healing processes in their body. What will you do?
11. What diet will you prescribe to someone suffering from cancer?
12. One of your patients refuses to stop smoking, and you know that this step is crucial for their cure/recovery. What will you do?
13. Describe a conflict you had with a patient. How did you handle it?
14. Describe a time when you had to deal with an angry or upset client (patient).
15. Describe a situation when you did not agree with the opinion (or decision) of your superior or supervisor, and knew that they were wrong. How did you handle that?
16. Describe a time when you struggled to communicate something to your colleague, or to a patient. How did you manage to get your message over?
