## Your Best Job Interview Coach Since 2011

### *15 Most Common Interview Questions for Dental Assistant Job Applicants*

- Why did you decide to pursue a career of a dental assistant?
- Tell me something about your education and training program. What you did like and what you didn't like?
- Why do you want to work in our practice, and not somewhere else?
- Where do you see yourself in three years from now?
- Tell me something about your previous working experience.
- What are your weaknesses?
- Why did you leave your last job/why do you plan to leave your present job?
- Why should we hire you, and not one of the other applicants?
- Imagine that a patient accused you of a bad service. What would you do?
- Describe a time when you felt overwhelmed with work
- Describe a time when you had to motivate someone in work (your colleague, your superior, yourself).
- Describe a time when you experienced a conflict of your personal and professional interests.
- Describe a conflict you had with your colleague.
- Describe a time when you struggled to communicate something to your boss, colleague, or to a customer. How did you manage to get your message over?
- Describe a situation when you went above and beyond with your service.
