16 Essential Nurse Practitioner Interview Questions

- Why did you decide for a career of a nurse practitioner?
- Why do you want to work here, and not somewhere else?
- Tell us something about your previous nursing experience
- Where do you see yourself in five years from now?
- What do you consider your biggest weakness when we talk about nursing work?
- Tell us something about your certification and studies.
- What do you like to do in your free time?
- If you shall describe yourself by three words only, which words will you pick?
- Describe a conflict you had with one of your patients
- What would you if a patient asked you for antibiotics, and you knew that they did not need them?
- Imagine that a parent of a child complained about the healthcare the child receives in our hospital. What would you do?
- Describe a conflict you had with your colleague.
- Describe a situation when you did not agree with the opinion (or decision) of your superior or supervisor, and knew that they were wrong. How did you handle that?
- Describe a time when you experienced a conflict of your personal and professional interests. How did you get over it?
- Describe the biggest failure of your professional career.
- Describe a situation when you went above and beyond with your service (for the customer, for the colleague)
