

15 Interview Questions for Bartender Job Applicants

- Why do you want to work as a bartender here?
- Tell us something about your previous experience behind the bar.
- Describe a conflict you had with a customer.
- A twenty-one year old student orders ten shots, for him and for his friends. Some of them look underage. You know that police never comes to the club late at night. Will you sell the shots?
- How do you feel about upselling? Do you have any experience with it?
- What is your most favorite drink? Do you dislike any drinks?
- How do you feel about sharing tips with your colleagues?
- This place becomes extremely busy each Saturday night. Imagine that five guests demand your attention at the same time. What would you do?
- How long do you want to have this job?
- How do you feel about working twelve hours a day, three days in succession?
- How would you prepare this and that drink?
- A customer sends their drink back. How would you handle it?
- Have you been in this bar before? What can we improve about the way we serve the guests?
- Imagine that your coworker was spending a lot of time at work playing with her smart phone, and the situation repeated two nights in a row. What would you do?
- Why should we hire you, and not someone else for this job?
