## Your Best Job Interview Coach Since 2011

### *Industrial Engineer Interview Questions – Prepare for the big day*

- Why did you apply for a job with us?
- Tell us something about your experience in the field.
- What do you want to accomplish in this job?
- If we hire you for this job, what will be the first thing you do?
- Describe a time when you struggled to communicate something to your boss, or colleague. How did you manage to get your message over?
- What are your salary expectations?
- Where do you see yourself in five years from now? Do you plan to continue your career in engineering?
- What motivates you the most in this job? How do you plan to deal with a crisis of motivation?
- Describe the biggest failure of your professional career.
- Describe a conflict you had with your colleague.
- Describe a situation when you were under pressure in work. (How would you deal with a pressure in this job?)
- Why should we hire you?
