Why Should We Hire You? Sample answers by Interview Penguin

- You should hire me, because I possess a rare ability to uncover and develop the strengths of other people. Management is my passion, and I just love to help the others to achieve their goals, to enjoy their job, and to mutually help the company grow. (manager)
- I know how to touch the hearts and minds of the prospects, and how to turn them to customers. I really enjoy marketing, and I can't wait to design some successful campaigns for your clients. (marketing)
- I am aware that I have no experience. But I am willing to learn, motivated to work hard, and I will do my best every day to help you to achieve your goals. (entry level)
- I love to talk with the others and to help them. Communication makes me happy, not only in my job. I will do my best to create a smile on the faces of your customers, so they can come back and make another purchase. (customer service)
- I can see the good, and the bad in people. I work professionally and never let my emotions get the better of me, and influence my decisions in work. (HR)
- My computer is my best friend. If I work on the project, I am able to focus on my tasks and nothing will distract me. I give interesting insights on every project, and I work hard to keep my coding skills up to date. I try to learn something new every day. (IT)
- My job is my mission. I believe that teachers shape the future, by shaping their students. Therefore I approach my job responsibly, and I try my best to be a good role model for the students. (teacher)
