## Your Best Job Interview Coach Since 2011

### Interview Questions for Camp Counselor Job Applicants

1. Why do you want to work as a camp counselor?
2. Tell us something about yourself.
3. How do you imagine a typical day in work?
4. What is your availability?
5. One boy in your group does not respect your orders, and he makes problems to other children. What will you do?
6. Imagine you were very tired but children still want to play in the evening. What would you do?
7. Imagine that one of the girl you supervised, five years younger than you, fell in love with you during the duration of a camp. What would you do?
8. What are your salary expectations?
9. What would you do if you suddenly realized that one of the children was missing from your group?
10. What are your favorite activities to do with the children?
11. How do you feel about cooking, or cleaning toilets?
12. Tell us more about your past working/volunteering experience?
13. What do you think is a main goal of our camp?
14. What do you consider the most difficult aspect of this job?
15. Do you have any questions?
