### *15 Pharmacy School Interview Questions – Practice Your Answers*

1. What did you do to prepare for the pharmacy school?
2. Are there any doctors or pharmacists in your family? Did they have any impact on your decision to study pharmacy?
3. Why do you want to study at our school, and not somewhere else?
4. Pharmacy studies are hard and time demanding. Are you ready to handle that? What are you willing to sacrifice?
5. Can you name some of your qualities that would benefit you as a pharmacist? And is there anything you would like to improve on?
6. Do you watch trends in the industry? What caught your eye lately?
7. Except of studying, what do you plan to do while being at the college?
8. How do you handle stress?
9. What are you going to do if you don't get to a Pharmacy School?
10. Why should we choose you and not someone else?
11. Do you have any questions?
12. A member of your family decides to depend solely on alternative medicine for treatment of his or her significant illness. What would you do?
13. An eighteen year-old female arrives in the emergency room with a profound nosebleed. You are the physician, and you have stopped the bleeding. She is now in a coma from blood loss and will die without a transfusion. A nurse finds a recent signed card from Jehovah's Witnesses Church in the patient's purse refusing blood transfusions under any circumstance. What would you do?
14. A patient with Downs Syndrome became pregnant. The patient does not want an abortion. Her mother and husband want the patient to have an abortion. What would you do in this situation?
15. A patient requests needles and syringes at his/her local pharmacy. They do not present with a prescription, and based on the records you can access, they are not receiving treatment for diabetes. Do you sell the syringes or not?
