## Your Best Job Interview Coach Since 2011

### **Safety Manager Interview Questions**

1. Why do you want to work as a safety manager (supervisor)?
2. Why do you want to work as a safety manager here, and not in another company?
3. Tell us something more about your experience/Walk us through your resume.
4. How do you imagine a typical day in work?
5. What is your experience in health and safety training? Do you consider it important?
6. What would you do if an employee reportedly ignored your safety instructions?
7. Imagine that you propose a plan to improve safety conditions in a particular workplace. But one of the managers opposes it, saying it is expensive, or unnecessary. What would you do in this situation?
8. Describe a conflict you had with one of your colleagues (who didn't respect the safety rules). How did you solve the conflict?
9. Describe a time when you struggled to get your message over (to a manager, employee, anyone). What did you do to eventually succeed?
10. What do you consider the greatest failure of your professional career?
11. Can you define job safety analysis and walk me through the process?
12. What do you want to accomplish in our company as a new safety manager?
13. How do you ensure to keep your knowledge of safety and health regulations up to date?
14. Do you have any professional certification?
15. Why should we hire you, and not one of the other job applicants?
