Dietitian Interview Questions by InterviewPenguin.com

1. Tell us something about yourself
2. Why have you decided for a career of a dietitian/nutritionist?
3. Why do you want to work for us? Why not your own practice?
4. What do you want to accomplish in this job?
5. What do you consider your greatest weakness as a dietitian/nutritionist?
6. How do you imagine a typical day in work in our hospital/community center/nursing home/sports center, etc?
7. What courses did you enjoy the most and the least during your undergraduate program?
8. Imagine that you prescribe a diet to a patient, and they refuse to follow it, saying that they can't eat the way you suggest. What will you do?
9. Imagine that you see a medical record of a patient, and believe that one of the drugs they are taking interfere with the healing processes in their body. What will you do?
10. What diet will you prescribe to someone diagnosed with cancer (a type of cancer can be specified, but it doesn't have to be)?
11. What diet will you suggest to a patient who suffers from diabetes 2?
12. What kind of diet would you prescribe for a patient who was trying to gain weight?
13. Describe a time when you had to deal with an angry or upset client (patient).
14. How comfortable are you with constructive criticism?
15. Describe a time when you struggled to communicate something to one of your clients/patients. What did you do to get your message over?
16. How do you see the relationship between RD's and Foodservice, Doctors, and other people working in a hospital/nursing home/school?
17. What do you do if you can't find some important information in the chart?
18. Describe a situation when you did not agree with the opinion (or decision) of your superior or supervisor, and knew that they were wrong. How did you handle that?
19. What do you do if there are clearly too many people for you to see on a given day?
20. One of your patients refuses to stop smoking, and you know that this step is crucial for their cure/recovery. What will you do?
21. 21. What dietary recommendations are important for vegetarians and vegans?
22. 22. Reflect on a situation in which you had to adjust to changes over which you had no control. How did you handle it?
23. What do you consider the future trends in dietetics?
24. Give us an example of a time when you went above and beyond with your service for one of the clients/patients.
25. How important is teamwork for you? Do you consider yourself a team player?
26. How do you ensure to keep your knowledge of latest trends in dietetics up to date?
27. If you should point out the most important thing you learned during your practice/internship, what will it be?
28. How do you plan to handle crisis of motivation, that invariably comes in almost every job?
