Curriculum Director Interview Questions

1. Please introduce yourself to the hiring committee.
2. Why do you want to work as a curriculum director in our district?
3. How do you imagine a typical day in this job?
4. How would you motivate teachers to follow your suggestions regarding curricular and instructional changes?
5. How do you feel about traveling almost daily, or about having no summer vacation?
6. What do you expect from district leaders, school principals, and other professionals from the district?
7. Our students do not perform well on standardized tests. What can you do about it as a curriculum director?
8. What is your opinion on technology (laptops, tablets, interactive boards) in classes?
9. You've been working in this school district as a teacher (or other role) for a few years already. Judging by your experience, what do you consider the main areas for improvement in this district?
10. What goals would you set for yourself for the first year as a curriculum director?
11. Do you plan to include parents in your work, in any way?
12. Which teaching methods do you consider most effective at this level of education?
13. How do you plan to include special needs students in your plans and curricula?
14. After everything we discussed, do you have any questions?
