### Graduate School Interview Questions

1. Please introduce yourself in one minute.
2. Why are you interested in this particular field of study?
3. Why our school? Why didn't you choose some other place?
4. Why should we give the place to you, and not to one of the other applicants for the study program?
5. Do you already have a topic for your thesis (dissertation) on your mind?
6. What do you want to do in your free time, while not studying?
7. Do you have any letter of recommendation from your undergrad instructors?
8. Describe the biggest conflict you had with someone during your undergraduate studies.
9. What is the one thing you wouldn't want me to know about you?
10. Tell me about the last book you've read.
11. What do you consider your greatest strength, and your biggest weakness?
12. What will you do if you do not get to a graduate school this year?
13. After everything we discuss here, do you want to add something, or do you have any questions?
