### PT School Interview Questions

1. Why do you want to study at a PT School?
2. What was the first impulse that made you interested in PT, and not in nursing, medicine, etc?
3. Why did you apply with our school?
4. PT School is hard. What makes you believe you will handle the workload?
5. What do you want to do at the college while not studying?
6. Can you tell us one thing about yourself you wouldn't want us to know?
7. Where do you see yourself in ten years from now?
8. In your opinion, what is the most difficult thing about the work of a PT?
9. Do you have plan B? What will you do if you do not get to PT school this year?
10. Who inspires you the most in your life?
11. Why should we give you the place in our study program, instead of giving it to someone else from the applicants?
12. You work with a teenager who suffered a spinal cord injury. You are exercising together for three months, trying to help them regain some movement in their right hand. But after three months you see there is no progress and there likely won't be any, and you have to stop the treatment. What will you tell them?
13. One of your patient, a man in his forties, becomes emotionally attached to you. They invite you out and make all sorts of proposals. How will you react? Do you think it is ethically correct to continue treating the patient?
14. A good friend of yours, Jennifer, calls you and cries on the phone. She tells you that she has been rejected for the 3rd time from all PT schools that she had applied to during the previous application cycle. She invites you to visit her and talk about her future. Go inside the room and speak with Jennifer.
15. If the Prime Minister/President were to ask your advice on one change that could be applied to the healthcare system that would improve it enormously and have the greatest positive effect, how would you answer?
