Security Manager Interview Questions

1. Can you please tell us something about your working experience?
2. How will you recruit new security guards? What will be your criteria?
3. What security policies and procedures will you suggest for our company (store, warehouse, factory, etc)?
4. Imagine that a fire breaks out in the building. What actions will you take as a security manager?
5. Imagine that during an occasional inspection, you find one of the security guards sleeping on their chair. What will you do?
6. How important is paperwork for you?
7. What are your expectations on other managers working in the company?
8. What do you consider your greatest weakness as a security manager?
9. Talk about the most difficult situation you've ever experienced working in security.
10. If we hire you for this job, what will be the first thing you will do in the office?
11. In your opinion, what are the greatest security risks and hazards in our type of business?
12. Why did you leave your last job? (Why do you want to leave your present job?)
13. After everything that we discussed in this interview, do you have any questions, or do you want to add something?
