Animator Interview Questions

1. Why do you want to work as animator here (in our studio, company, media agency, etc)?
2. Why employment and not freelancing? You can earn more while working on your own...
3. Can you tell us more about your experience in the field?
4. What animation software you have experience with?
5. How do you deal with criticism of your work?
6. Tell us about a time when you struggled to meet a deadline with one of your animations.
7. What do you focus on while delivering your presentation of a final animated piece to the client?
8. What do you do to keep your knowledge of latest trends in animation up to date?
9. What do you consider your most successful project in animation and why?
10. What are your salary expectations? What payment model do you prefer?
