Illustrator Interview Questions

1. Can you tell us something more about your previous experience with illustrating?
2. Why employment and not freelancing? Best illustrators are freelancers, aren't they?
3. What software products do you use in your work?
4. What is your way of coming up with image ideas for various campaigns?
5. How do you define budget or time limitation for your projects?
6. Imagine that a client rejects all the drafts you present them. What will you do?
7. Which work from your portfolio do you consider the best one, and why?
8. Is there any designer or illustrator you follow or admire? If you should pick one role model, who will it be?
9. How do you overcome a creative block?
10. What are your salary expectations and how would you like us to pay you (monthly, per hour, per project, etc)?
11. Tell us about a time when you struggled to meet a tight deadline with one of your drawings.
12. What does quality mean to you?
