## Top 22 Pharmacy Residency Interview Questions

1. Why did you opt for residency, instead of a job in a pharmacy?
2. Why did you choose our residency program?
3. In which field would you like to specialize once you complete your residency?
4. What can you bring to our residency program?
5. What will you do if you do not get a residency this year?
6. What research fields are you interested in?
7. What do you consider your greatest strength, and your biggest weakness, when we talk about a job of a pharmacist?
8. You have probably did some research about our residency program. What do you like the most about our curricula, and is there anything you are missing on it?
9. Who or what inspired you to pursue a career of a pharmacist?
10. Do you know any existing residents? Did you have a chance to talk with them about the program?
11. If you should describe yourself in three words only, what words will you pick?
12. Describe a conflict you had with a colleague or a classmate.
13. Tell us about a time when you struggled to communicate something to one of your colleagues or patients. How did you eventually manage to get your message over?
14. If you should pick someone to be your leader, to guide you during your residency, who would you pick?
15. What motivates you the most in this work?
16. Imagine that a patient complaints loudly about the service or care you provided to them. How will you react in such a situation?
17. Why should we choose you, and not one of the other candidates for the residency program? In which way are you unique?
18. If you were an animal, what would you be?
19. What books are you currently reading? What is your most favorite book that relates to healthcare or pharmacy?
20. If you could turn back the clock, would you apply for the same pharmacy school again, or for another one, or would you opt for a completely different direction in your professional career?
21. What does integrity mean to you?
22. After everything we discussed here, do you have any questions, or do you want to add something?
